	Images	3	Hosted correctly (1)*, appropriate to share (2)

Metadata (15 pts)	Branding Correct*	1	Branding is correct (1)*
	URL*	1	Matches title (1)*
	SEO Keywords	3	Relevant (1), minimum relevant reached (1)*, comma-separated (1)*
	Internal Notes	2	Internal Notes formatted correctly (2)
	Validation Status	5	Correct status (3)*, explanation in internal notes, if needed (2)
	Notes ID	1	Populated, if migrated (1)
	Product Tags	2	Correct tagging (1), Relevant tagging (1)

Section: Title (20 pts)	Correct Formatting*	1	Correct error code KB formatting (1)*
	Related and Relevant	10	Title reflects what the issue the article talks about, and not a cause/solution (+3)
			Properly sets expectations of what the article is going to be about (+2)
			Calls out specific keywords related to issue for searchability (+3)
			Does not use NI internal terminology but customer friendly terms (+2)
			A question (-1), unless justifiable
	NI Product Related	2	NI Product/tie in title (2)
	Character Limit	5	75 character or less (+5)
			If not, but justifiable (-2)
	Capitalization	2	APA formatting capitalization (2)

Issue/Context (25 pts)	Other sections/tools used appropriately	1	Other: Used correctly (1)
		1	Additional Information: Used correctly (1)
		1	Related Links: Relevant (1)
		2	Attachments: Used correctly (1), Referenced/Named correctly (1)
	Correct Formatting	2	Correct error message formatting (2)
	Overview of Scope	4	Overall issue clearly discernable within the first (few) sentence(s) (+4)
			Effort needed to understand issue - you must read the entire issue details in order to get the overview of what the issue is (-2)
			Overall issue not discernable at all (-4)
	Action that Prompted	4	Complete context of when and where the issue occurred (+4)
			Partial context of when and where issue occurred (-2)
			No context of when and where the issue occurred (-4)
	Environment Details	4	Complete and relevant environmental details (+4)
			Partial and/or not completely relevant environmental details (-2)
			No and/or not relevant environmental details (-4)
	Symptoms	4	Clearly understand what the symptom(s) are (+3)
			Correct format (bulleted or not) (+1)
	Relevant Information	2	Only relevant information in the issue details, no troubleshooting steps (2)

Solution/Steps (20 pts)	Introduction/setting expectations	3	Complete overview given - you know why this issue is occurring and generally how to solve it/what to expect for the bullets (+3)
			Partial overview given (-1)
			No overview given (-3)
	Complete	8	No extra information needed to be successful in every step (+8)
			Extra information was needed - assumed knowledge that we do have documentation for but don't string together the experience (-3)
			A lot of extra information was needed - only an objective was given, no steps available (-6)
	Relevant and Concise	4	Just enough information for the customer to be successful (+4)
			Too much information and/or should be additional information (-4)
	Formatting	5	Wall of text (-2)
			Bulleted or number bulleted used appropriately (+2)
			Bulleted list: least level of effort to most level of effort order AND/OR most correct to least correct order (+2)
			Predetermined text used appropriately (+1)
